Mr. John Reinemann, Executive Secretary  
Wisconsin Higher Educational Aids Board

Dear Executive Secretary Reinemann:

The College of Menominee Nation thanks you for the opportunity to submit our recommendation regarding the Tribal Wisconsin Higher Education Grant formula for the 2017-2018 academic year.

The College of Menominee Nation recommends that the formula remain the same as it was in the 2016-2017 academic year. Our consensus is that since no additional funding has been allocated, this formula will help us in serving the greatest number of students. If additional funding is allocated to the Tribal Wisconsin Higher Education Grant, the College of Menominee Nation would like the opportunity to modify this recommendation.

As the appropriations have remained flat since 2010-2011 the College of Menominee Nation looks forward to working with the appropriate bodies to increase funding levels.

On behalf of our students, faculties, and staff, thank you for working with us to serve our students. We look forward to hearing the final decision of the Higher Education Aids Board and to working with you to secure more support for students in our State.

Respectfully,

Diana Morris, PhD  
Interim President
